

## Combination Agreement

The below mentioned Sunrise products can be combined with the below mentioned **küschtall** products provided that the combination is made in an expert fashion and according to the restrictions of both manufacturers as stated in the User and other Manuals communicated by the manufacturers.

STRICKER products	küschtall product as sold in EMEA
Stricker City Modelle	küschtall Advance
Stricker Sport und Ultramodelle	küschtall K-Series
Stricker Lipo Lomo	küschtall K-Series attract
Stricker Lipo Smart	küschtall Champion
Stricker Neodrive	küschtall Ultra-Light
Stricker Lomo	küschtall Compact
	küschtall Compact attract

Mounting of the Stricker products on küschtall products has to be executed according to the Stricker and küschtall mounting instructions by authorized and skilled staff only.

The maximum values and restrictions (e.g. user weight) mentioned in the user manual of both manufacturers must be observed.

Küschtall titanium and carbon wheelchairs are excluded from this combination agreement and are not allowed for combining.

Machining, bending, welding or bracing on any safety relevant components is not allowed.

All necessary verification activities including relevant documentation in respect to the combination will be executed by Stricker.

Both parties will communication necessary changes to their products as far as the combination is affected.

All external communication especially communication to Competent Authorities in respect to the combination will be communicated first between the parties.

The combination agreement has been made in two copies, one for each party.

Authorized representatives of the parties have executed this agreement.
