

Agreement

ETAC is the Authorized Distributor for Ki Mobility in the Country of Norway. Ki Mobility develops, manufactures and sells wheelchairs.

R & E Stricker GmbH develops, manufactures and sells equipment for wheelchairs and is referred to as the Aftermarket Component Manufacturer (ACP).

1. Agreement

ETAC accepts that ACP, without consideration is promoting and selling the items listed in exhibit A (The Products) for use on Ki Mobility wheelchairs.

2. Product liability

Because mounting of The Products changes the original configuration of the wheelchairs, the parties agree that ACP accepts responsibility for incidents connected with the correct deployment and use of The Products.

The supplier of The Products accepts full responsibility that they will provide both, installation instructions and instructions for use, specific to the Ki Mobility product being modified for all of The Products.

3. Governmental standards

If The Products supplied by ACP affect the product combination, ACP shall, at their own expense, ensure that the product combination meets the requirement of the relevant national and international standards.

4. Agreement period

This agreement is valid until cancelled by either party, giving three months notice, such notice to be delivered in writing. Each party will retain a copy signed by both parties.
